

PATRIOT
ACQUISITION

COMMITMENT TO QUALITY

At Patriot Acquisition, we have partnered with industry leading suppliers such as Dell, Lenovo and TD Synnex to provide our customers the most comprehensive and cutting-edge product solutions to meet the everchanging demands of IT infrastructure modernization, network and data center expansion.

CORE COMPETENCIES

- Contracts and Proposals
- Highly experienced contracts and proposal team
- FARs, DFARs, and VAARs expertise
- Fixed price, cost plus, time and material contract proficiency
- Successful and competent negotiations

DIFFERENTIATORS

Patriot Acquisition LLC is a premier Service-Disabled Veteran Owned Small Business (SDVOSB) that leverages top talent with a combined 20+ years of federal contracting experience. Patriot Acquisition supports public sector, local and federal government agencies in obtaining the right IT products to meet our customers' needs at competitive prices.

Professionals at Patriot Acquisition LLC have a proven track record of success in government contracting. Our extensive experience and expertise in navigating complex government regulations, procedures, and requirements sets us apart from our competitors. We understand the unique challenges of government contracting and have a deep understanding of the procurement process.

Our team of professionals is dedicated to providing exceptional service to our government clients, delivering high-quality products and services on time and within budget. With a commitment to integrity and compliance, we ensure that every project is executed with the highest standards of accountability and transparency.
